popular event but never before have so many been so royally entertained. The growing following of the John Pandolfi conducted Regional Band filled Bristol Auditorium to the bursting point.

The members of the Regional Civic Chorus very graciously relinquished their seats to the concert audience and still they came. Chairs were brought in from the cafeteria to seat the overflow crowd. All this was a fitting tribute to the members of this fine band who gather from distant as well as local points to play under the Pandolfi baton.

They presented a package of Christmas melody in the words of commentator John Atkinson. Mr. Atkinson caught up in the spirit of the season, appeared in Santa's hat with all of his boundless enthusiasm whetted by the huge audience. The band was in excellent form in the opening numbers. The most impressive selections were excerpts from "Jesus Christ Superstar",

description for the position of Superintendent of the Department of Public Works with the thought that such a position might be broadened to include other duties such as Town administration and/or planning functions. This, the Board hopes to clarify shortly after which it will advertise for candidates to fill the position.

In order to dispel rumors brought to the Board that such a position either had been filled or that specific candidates had been either interviewed or chosen, the Board clearly stated that no interviews had either taken place nor were any individuals currently under consideration. More specifically, no past or present Selectman has applied for or is under consideration for this or any full-time position with the Town.

Other rumors were brought to the Board having to do with the removal of several employees in the Department of Public Works. The Board met with DPW employees on Friday, December 3, 1971, to assure them that such rumors were not true. It was further stated that the Board had no plans for personnel changes in any of the departments under its control.

Finally it was reiterated that only through direct inquiries to the Board of Selectmen, could they hope to dispel rumors. Citizens

Auction Thanks

The Mattapoisett Congregational Church Youth Fellowship (Junior High) had a very successful Auction Night last December 4th and thanks to the generous support of many parents and friends who made it such a success. The Fellowship also warmly thanks all who attended, who donated articles and who baked refreshments. A special thanks to Mr. Bruce Gillum whose auctioneering talents contributed to an evening of fun for all.

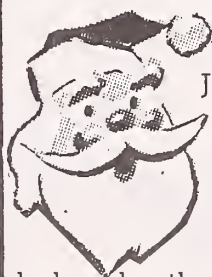

All of the proceeds from the auction will go to the Church School in the form of the

CHRISTMAS CRECHE

One of the most beautiful Christmas displays in the area is now in the entrance display case of the Mattapoisett Center School. A creche carved of wooden figures by local artist, Mrs. David McCormack, is on view. Above, Richard Gordon, student at Center School, admires one of the shepherds. The display represents hundreds of hours of loving labor by the sculptor, Mrs. McCormack, who is a Center School teacher.

FELLOWSHIP TO PRESENT PLAY

"The Boy Who Changed the World", a major comedy in three acts, is to be presented by the Senior Fellowship of the Mattapoisett Congregational Church on Friday, December 17th, at 8:00 P.M. in the church parish hall. The play is set in pre-historic time, and concerns a teen-age cave boy with a problem: he is a community misfit. The ironically amusing story tells how this boy, who resists the classic training of "climbing, clubbing, and clobbering" awkwardly stumbles into the unheard of realm of culture: Poetry, Art, Music et cetera. What is so delightful about the clever plot is that the difficult birth of culture on our Earth could very well have occurred precisely as described.

Tickets are available from all Fellowship members, or may be purchased at the door. Interested theatergoers are advised that if they cannot attend the Friday evening performance, the tickets will be honored at the dress rehearsal performance Thursday, the 16th, at 7:00 P.M.

EAR CARE QUIZ

Millions of Americans suffer from hearing losses that could have been prevented. This quiz is designed to help you learn how:

1. True or false — one way to protect your child's hearing is to have him vaccinated against measles.

2. To cure an earache, you should (a) put heated mineral oil in the ear; (b) wash the ear with a syringe; (c) gently clean the ear with a cotton swab.

3. An ordinary handkerchief can be an inanimate accomplice to middle ear infection. How?

4. True or false — continuous exposure to even moderate noise can cause loss of hearing.

5. People who work or live in noisy surroundings can protect their ears with (a) cotton; (b) the kind of ear plugs used by swimmers; (c) special ear protectors made just for this purpose.

6. What four words best describe the symptoms of a gradual, progressive loss of hearing?

ANSWERS: 1—T (measles can cause ear infections); 2—don't do any of these potentially dangerous things (do call a doctor instead); 3—inner ear infection is often caused by blowing the nose too hard; 4—T (16 million Americans suffer from loss of hearing caused by noise); 5—C (companies like American Optical make ear inserts and earmuff-type protectors that protect against harmful noises but let in conversation); 6—"What did you say?"

ORRHS STUDENTS TO BE IN MUSIC FESTIVAL

Six Old Rochester Regional High students have been selected to perform in the South-eastern District Music Festival for Orchestra and Band to be held in Stoughton January 21 and 22. Chosen, following auditions in Fall River last month, are Kim Almeida, Alan W. Hickey, Deborah Nottage and Donna Johansen, all of Mattapoisett, and Nancy Allyn and Elizabeth Langevin of Marion. Miss Nottage and Hickey will perform as band members. The Misses Allyn, Almeida, Johansen and Langevin won orchestra assignments.

Miss Almeida, daughter of Mr. and Mrs. James F. Almeida of Prospect Road, Mattapoisett, has been studying the violin privately for five years and plans to be a member of the Old Rochester Regional High School Orchestra next fall.

Miss Allyn, daughter of Mr. and Mrs. Calvin Allyn of 22 Cottage Street, Marion, has been studying violin for seven years, the first five in the public schools of Win-

chester, Mass. She was a member of the pit orchestra for the Old Rochester Regional High School production of "West Side Story". Also a member of the school orchestra and the New Bedford Symphony Orchestra, she plans to try out for the Greater Boston Youth Symphony Orchestra early next year.

Miss Johansen, daughter of Mrs. Robert Johansen of Harbor Road, Mattapoisett, started playing the cello five years ago and now is a member of both the New Bedford Symphony Orchestra and the Greater Boston Youth Symphony Orchestra. Last year she performed in the District orchestra and in the pit orchestra for "West Side Story".

Miss Langevin, daughter of Mr. and Mrs. Ernest Langevin of 74 Lewis Street, Marion, started out musically by teaching herself piano when she was in the first grade. She began taking lessons at 10, and is now in her fifth year of instruction. An NAFS member for four years, she has auditioned as a pianist twice in district and twice in state competitions. She also plays organ and violin, winning a district spot last year as a violinist and an all-state recommendation.

Hickey, son of Mr. and Mrs. Edmund V. Hickey of North Street, Mattapoisett, is a clarinetist with the Regional Symphonic Band, the New Bedford Symphony Orchestra,

They are Joe Bettencourt and Paul Reilly, both of whom were instrumental in the Bulldogs' seven victories. Honored by the team with gifts were Head Coach Jerry Oliva, and his assistants, John Shockro, Jeff Mendall and John Connally. Under Coach Oliva's guidance, Bulldog football fortunes have moved steadily upward from the dismal '69 season.

The ORR cheerleaders also came in for praise for their role in urging the team and fans along to victory every Saturday afternoon. Three of the ORR majorettes were awarded gifts by advisor to the group, Mrs. Diane Murray. They were Deborah Oliva, Cindy Barber and Diane Wilbur.

Master of Ceremonies for the affair was Athletic Director Raymond Carvalho. Guests of Honor included Dr. and Mrs. Joseph C. Kunces, Mr. and Mrs. Frank P. Gifune, Jr., Mr. and Mrs. Robert C. JUNIOR GRANGE HAS MEETING

Mattapoisett Junior Grange held its meeting last Friday night with the worthy master Harlene Fearing presiding.

Four new officers were appointed to fill in the rest of the Grange year for those who have not been attending the meetings.

Plans were made to decorate the Christmas tree for the party Thursday night of the Subordinate Grange when they will be guests.

It was voted to hold one regular meeting the fourth Friday of January and February, and on the second Friday to go to Mrs. Mildred LeBaron's home to work on projects for the State and National Grange. It is hoped some of the Mothers who may not be members of the Grange will come forward to help.

The lecturer's march was won by Jodi Briggs.

New School - Sept.?

PROGRESS RAPID ON NEW SCHOOL

Rapid progress made in building the new Old Rochester Regional Junior High School may mean a September 1972 opening after all. Guardedly optimistic, Dr. Joseph C. Kunces, Superintendent of the District, announced last week that the school is now nearing 40% completion. "Workmen", he said, "have made such remarkable strides in wall and roof construction that the building is substantially closed in. This makes it possible to perform all of the necessary internal work without worry of weather interrupting the schedule during the rough winter months."

Dr. Kunces said that the Building Committee had the assurances of Mr. Robert Bradley, associate of Drummey, Rosane, and Anderson, architects for the school, that if everything goes well the building should be ready for a September occupancy, "certainly no later than October 1".

According to Dr. Kunces, the school is now about 30 days behind schedule, but the time lost, he said, will be gradually reduced over the next eight months. He also said that the Building Committee had voted to officially name the school the Old Rochester Regional Junior High School.

RECYCLING PROJECT

The "Bent Twig" alternative school has been working on a recycling project and started collecting bottles and cans this past Saturday morning, December 11th. One collection center was at the school yard - Town Hall, Marion, and a second collection site was the Center School yard in Mattapoisett.

Subsequent collections will be made the first Saturday of each month beginning in January.

Bottles must be clean, all metals removed, and separated by color - clear, green and amber. Cans should be clean, labels and ends removed, flattened, and aluminum cans separated if possible. A truck is being provided by the Town of Mattapoisett to transport the bottles and cans to the factories where they will be reprocessed.
